

Ysgolion Mochdre
Class Information – Summer Term

Welcome to... **Dosbarth Enfys** ...Croeso!

Our topic this term:

Living things and their habitats

Your teacher is.....

**Miss
Roberts**

Our big question is...

'What makes planet earth right for life?'

We will be finding out about:

- ✓ Minibeasts and their habitats
- ✓ The life cycle of living things
- ✓ The human body and some of the changes it goes through
- ✓ Planet earth and other planets

You can help your child by...

- ✓ Encouraging them to complete Headsprout at home
- ✓ Read with them at home
- ✓ Help them find habitats and microhabitats at home or whilst on a trip out
- ✓ Encourage them to research things that interest them
- ✓

In 'Language, Literacy & Communication', we will be learning:

Developing our reading through Headsprout
Applying our reading skills to reading comprehension
Developing our story writing
Taking notes and writing facts

In 'Mathematics and Numeracy' we will be learning:

Fractions
Perimeter and Area of shapes
Drawing and reading graphs
Column addition and subtraction
Adding and subtracting money

In other work areas, we will be.....

Going back in time to Roman Britain to find out what life was like
Athletics
Finding out about the Queen's Platinum Jubilee
Continuing to learn the importance of being 'Kiva' and supporting each other to be kind and respectful individuals
